# Notes from the boss.....

Now that we are approaching the final run-in, it is more important than ever for you all to get behind the team.

I'll make no excuses, but sometimes you have to be prepared to accept three points whatever way they are earned and that means the quality of football played may not be exactly what we would all prefer. For example, I'd sooner see us win games at this stage than play the pretty, pretty style of football and lose.

I just hope the supporters understand that the priority is winning and staying up there among the league leaders. They can play an enormous part in helping tip the balance on the field. Visiting clubs know only too well, for instance, when home supporters are getting on their team's back and they will try to turn that to their advantage.

I know we can rely on the fans who have been with us all along. But from here on in why not bring a mate along too? We know the Wanderers fans are out there and if only they realise it, they could give us a real boost. The more the merrier.

We are still striving to improve the depth of the squad but the top priority at the current time is to ensure that we get a run of good results. And to achieve that we'll have to be more consistent. Inconsistency has been our biggest problem but I'm hoping we can put those set-backs behind us.

Tonight's game offers us the chance to build on the victories we earned against Tranmere and Carlisle when the players showed the commitment and determination I demanded after our poor showing at Wolves.

In welcoming our visitors from Darlington this evening I hope they will understand that I'm looking to avenge our defeat at Feethams back in October.

DARLINGTON

Darlington's new boss David Booth, who managed Grimsby Town between 1972 and 1985 is a determined, ambitious man. Booth took over in May after Darlington had been led by a caretaker manager following the departure of former Spurs favourite Cyril Knowles. The club had a disappointing season and were relegated to the Fourth Division.

The new manager says he feels the club needs "a good shake-up". He has brought in new players in every department and has started a youth policy. He has signed up a number of

promising Youth Training Scheme players. "I want instant success with Darlington back in the Third, but I also want to create a sound base for the future," says Booth.

Darlington have previously looked locally for new players. Now a new approach will be to scour the country for promising youngsters and more experienced quality players.

Booth says the club needs more support. "We must create an atmosphere—the support locally has not been good. I believe we can lift ourselves back into the Third Division."

# MATCH REPORT

AROUND THE LEAGUES – MARCH 5th 1988

On a weekend when the Sunday papers made an issue of Alex Ferguson's fury with his players after going down 1-0 at Norwich. Apparently he made his stars clean up the dressing room at Carrow Road before leaving to head home. Within hours the jokes began—"and they even missed that!" was the punch line.

Meanwhile over at Goodison Park, Everton sneaked home 1-0 against Newcastle thanks to a Wayne Clarke tap in but this was a game of missed chances. At the bottom Watford, who still have an interest in the F.A. Cup, faulted at home to Southampton 1-0 and ought to be improving quickly if they are to avoid the drop.

Liverpool, who are known to dislike the plastic pitch travelled to Q.P.R. and extended their unbeaten run to 28 games thanks to a John Barnes winner.

In Division 2 Blackburn's fine run of 23 unbeaten games came to a halt at Stoke 2-1. This defeat allowed Aston Villa to take up a three point advantage at the top but Blackburn have a game in hand, Villa winning 2-1 at Bournemouth. Man. City keep in the hunt after overcoming Ipswich 2-0 at Maine Road and they now look forward to their next game—a Cup clash with the mighty Liverpool.

In Division 3 Sunderland had to be content to share the spoils with Blackpool at Roker but dark horses Wigan went down by the odd goal in five at Fulham, all the goals coming in the first half. Neighbours Bury are going through a lean spell this time suffering to this year's Cup giant killers, Port Vale at Gigg Lane. Promotion hopefuls Brighton never got to grips with Preston's plastic surface, going down 3-0. Bottom placed York however turned over the form books at Aldershot, winning 2-1.

In Division 4 it's going to be a test of nerves for the final run in. Torquay, handily placed and with games in hand over everyone got the jitters at home to Hartlepool drawing 1-1. A goal in each half saw Cambridge overcome Leyton Orient. What a difference a season can make; this time last year Burnley were struggling to stay in the League—now they're handily placed for the play off stages. Our win at Carlisle keeps the lads well on course and every game now should be treated as a Final.

Tomorrow sees a different sport staged at Burnden when Rugby's Silk Cut Challenge Cup Competition takes place between Salford and Wigan, the winners eventually progressing to the Final at Wembley on April 30th.

SYD FARRIMOND  
B.W.F.C. 1958-74

For readers too young to recall Syd Farrimond, he was a classy polished full back who served Bolton in 363 League games plus Cup appearances. He joined the Wanderers from Wigan Sunday School League side, Moss Lane Youth Club. Syd recalled, "Oddly enough I had been turned down twice at Bolton on previous occasions." Working his way through the A and B teams and then the Reserves he was eventually given his first team chance in a local 'derby' against Preston. Syd said, "Fortunately Tom Finney was playing No. 9 that day, and I got the chance because Tommy Banks was representing England."

He recalled characters who belonged to that 1958 Cup winning side; Roy Hartle for instance. Syd remembered one occasion when sportswriter David Meek hinted to Roy that some of his tackles were 'a bit over the top'. This was met with the reply "No, it's just that I have a high follow through."

Thirty years on and Syd hopes Bolton will be celebrating again—this time promotion. He said, "I've seen Bolton five or six times this term and reckon that Phil knows what he needs and I hope he gets the players before the deadline, but I see it as results rather than performance at this stage".

He asks for supporters to be patient. "Of course they will have a go, but if the players give 100% the crowd at Bolton will respond."

Syd spent 4½ years of his playing career in Division One. He reflected, "Every week you seemed to be playing against international wingers like Cliff Jones, Peter Brabrook and the Norman Deeley's of football. But he's also seen the 'downs' of soccer. He's had two coaching spells working with Jimmy Adamson—at Sunderland and Leeds. He said, "I don't think we were given a chance at Leeds and needed more time. Probably on reflection Jimmy bought fringe players rather than players who could go straight into the first team and eventually it cost him his job." Adamson was replaced by Allan Clarke who brought his own staff and that put Syd in the dole queue. He said, "I wanted to get back into the game but nothing came of it, but I wouldn't go back now." Instead, he watches his son John performing for Bolton Lads Club who trains with Bradford City but the travelling can sometimes be inconvenient because Syd, who is now running a newsagents shop in Leigh has to leave early to take John.

Syd Farrimond is here tonight to cheer the lads on.

# FLASH BACK

5 YEARS AGO—12th MARCH, 1983.

The Wanderers received a standing ovation after defeating promotion chasing Q.P.R. 3-2 at Burnden. Bolton had been reduced to ten men in the 42nd minute when Ray Deakin was sent off for deliberate handball with John Gregory converting the resulting penalty for Rangers. By then the Wanderers had scored twice through Mike Doyle and Tony Henry. Simon Rudge increased the lead in the 74th minute before Tony Sealy pulled one back with ten minutes remaining which produced a nail biting finale.

Chris Thompson was allowed to leave the Wanderers for Lincoln City in a two month loan deal that could lead to a permanent transfer whilst Tony Henry joined Oldham Athletic for £20,000 after five months on the transfer list.

10 YEARS AGO—7th MARCH 1978.

Bolton had another attack of the promotion jitters before defeating Sunderland 2-0 at Burnden. The visitors, who had eleven of their first team squad injured, were on top before Neil Whatmore grabbed his 17th goal of the season in the 53rd minute. The Wanderers then gained confidence but the second goal didn't come until two minutes from time through Willie Morgan. The Wanderers beat the transfer deadline to sign Alan Gowling from Newcastle United in a £120,000 deal.

11th MARCH, 1978. Right back John Ritson scored his second goal of the season to give the Wanderers the points at Mansfield Town. His goal came in the 52nd minute when he crashed home a 25 yard piledriver.

15 YEARS AGO—10th MARCH, 1973.

The Wanderers took a point from bottom club Scunthorpe United thanks to an equaliser from Garry Jones, seven minutes from time, after Rod Fletcher had earlier given the home side the lead.

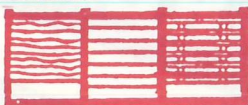

17th MARCH, 1973. The Wanderers came from behind to defeat Rochdale 2-1 at Burnden. Dale took the lead after only six minutes through Bill Atkins. John Byrom equalised in the 51st minute with a header from an Alan Waldron cross and the winner came from the head of Garry Jones after 68 minutes. An unusual sight was two linesmen operating on the Burnden side of the pitch, the referee having switched one from the other side of the ground, due to problems seeing him with the sun.

**BOLTON WANDERERS RES. . . . 1**  
**PORT VALE RES. . . . . 2**  
**24th February, 1988.**

The Wanderers went down to their third home defeat of the season to fellow promotion chasers Port Vale. There was plenty of controlled football from both sides in the first half but few chances were created. Ian Stevens came closest to breaking the deadlock for Bolton when he headed a Julian Darby cross inches wide. At the other end Mark Winstanley prevented Jason Dawson from scoring an easy goal with a calculated tackle six yards out.

Two minutes into the second half Simon Mills broke clear and was brought down by Gareth Gray. The experienced Paul McGuire converted the penalty kick. Ian Stevens equalised for the Wanderers in the 61st minute with a spectacular volley from twenty yards that struck the foot of the post before entering the net. Bolton's joy was however, short lived, Vale regaining the lead five minutes later when Steve Davies raced clear to shoot past Gray.

Late in the game chances fell the Wanderers way with Stevens hitting the post and Winstanley testing 'keeper Simmonds with a powerful header but by then it was too late.

**TEAM:** Gray, Brown, O'Brien, Callaghan, Neal, Winstanley, Darby, Henshaw, Stevens, McKearney, Booth. **Subs.:** Banks for Booth, Spooner for Darby.

**OLDHAM ATHLETIC RES' . . . . 3**  
**BOLTON WANDERERS RES. . . . 2**  
**2nd March, 1988.**

Oldham completed the double over the Wanderers but they can be thankful that some poor finishing by the visitors denied them at least a point.

Ian Stevens and Nicky Brookman were both guilty of missing easy first half chances whilst Oldham went in one up thanks to a penalty from Mike Cecere awarded after Mark Winstanley had brought down Steve Morgan.

It was Morgan who netted both of Oldham's second half goals in the 64th and 68th minutes and the Wanderers looked down and out.

Mark Raven, who gave a lively performance in his first full Central League game of the season, was unlucky to see a header brilliantly saved by David Williams in the 70th minute.

Nicky Brookman pulled one back in the 77th minute shooting home after a Phil Neal chip had eluded the home defence. Two minutes from time the manager again turned goal maker playing a pin point pass to Ian Stevens who made no mistake from twelve yards.

**TEAM:** Price, Brown, O'Brien, McKearney, Neal, Winstanley, Storer, Callaghan, Stevens, Raven, Brookman. **Subs.:** Booth for Storer, Spooner.

Whenever we meet Darlington, my mind always recalls that tremendous night when we travelled up the A1 and played them in the Freight Rover Semi-Final, that 3-0 victory on a sunny April evening put us firmly on the road to Wembley. Even though that was less than two years ago plenty of changes have taken place. Both clubs were then in the Third Division and Darlington were then managed by the now Torquay Manager Cyril Knowles. Dave Booth is now in charge of the Quakers and this season sees them challenging for promotion, despite selling leading marksman David Currie to Barnsley for £150,000. Mr. Booth has moved swiftly to strengthen his team by signing goal-keeper Keith Granger from Southampton and splashing out a club record £20,000 for Norwich striker Paul Clayton who quickly re-paid the faith put into him by scoring twice against Rochdale last week-end.

Last Saturday's win at Carlisle put us back into third place but the travelling Bolton supporters had to put up with road works on the M6 which meant that many of our supporters only arrived after the kick-off. Fortunately most arrived to see J.T.'s 22nd of the season and also 'Skinhead' Nicky Brookman popped up to score another goal. Another polished performance came from 'Mr. Versatile' Julian Darby who slotted in so well for Mark Came in the centre of the defence.

In the Football League, Liverpool go marching on; losing a match seems as unlikely as walking into a Bar in Saudi Arabia and finding Ronnie Biggs, Terry Waite and Lord Lucan sitting around a table drinking and reading how Eddie Eagle Edwards won a gold medal ski-jumping at the Olympics.

That's just about all this evening but don't forget to get your passports for next weeks visit to Swansea.

## FINALISTS AGAIN

The Wanderers youth team produced a magnificent display to defeat Blackpool 3-1 at Bloomfield Road in the Lancashire Youth Cup Semi Finals

Bolton, who are holders of the trophy, now face Wigan in the final and a repeat of the form already produced in this seasons defence of the trophy should see it remain at Burnden for a further twelve months.

The first half was dominated by the Wanderers who looked a class above their opponents on the evening taking the lead after only six minutes. A corner from Ian Callaghan struck the inside of the far post and fell out to Derek Booth who shot home from close range. Chris Banks netted the second in the 19th minute when his intended through ball swerved and beat everybody including the Blackpool 'keeper to end up in the net. The home side had their share of luck when they pulled a goal back two minutes into the second half. Bradshaw's free kick, taken just inside the Wanderers half, took a similar route as Banks' effort had done and to everyone's amazement ended up in the net.

The Wanderers kept composed and snuffed out Blackpool's best spell of the game with a third goal in the 64th minute. Malcolm Jackson played a clever through ball to Kevin Still who shot home at the second time of asking after the 'keeper had blocked his first attempt.

Team: Price, Spooner, O'Brien, Banks, Jackson, Halligan, Callaghan, Still, Raven, Jeffrey, Booth. Subs-Fisher, Gaskell.

## REFLECTIONS

We welcome Darlington to Burnden Park tonight for the third League meeting between the clubs here with the visitors having scored three times on each of their previous visits.

The first League game took place at Burnden in November 1985 when Darlington won 3-0 to record their first away win of the season. The crowd of 2902 was the lowest recorded at Burnden for a League game and they saw the bottom of the table visitors win with three second half goals. Garry MacDonald opened the scoring in the 66th minute with a shot that went in off the post and six minutes later John Green headed the second. MacDonald completed the scoring five minutes from time with a simple tap in goal.

The following April the Wanderers made two trips to Feethams in the space of eight days. Firstly the League points were won by the Wanderers thanks to an 85th minute goal from George Oghani, which virtually assured safety from relegation, shattering Darlington's hopes of establishing a new club record of 16 games without defeat. The next visit was for the Northern Semi Final of the Freight Rover Trophy and the Wanderers won the one sided tie 3-0. Oghani opened the scoring in the 9th minute, Tony Caldwell grabbed the second in the 26th minute, Asa Hartford ending the contest a minute after the break with the third goal. Penalties were missed in each of the visits that season Steve Thompson and Phil Neal respectively being the guilty parties.

Last season the Wanderers completed the double but both results were close affairs. At Burnden the Wanderers won their first points of the season with a 4-3 win although they led 4-1 after an hour's play. Steve Elliott scored his first goal for the club in the 11th minute but Gary Morgan equalised nine minutes later. Steve Thompson and George Oghani netted further first half goals for Bolton and Warren Joyce

grabbed the fourth on the hour. The North Easterners then hit back with goals from Alan Roberts and Peter Robinson but the Wanderers held on for the points.

At Feethams the Wanderers, sporting an all red strip, registered their second away win of the season thanks to a 68th minute goal from Steve Elliott.

Earlier this season a single goal again decided the issue this time the winner coming in the final minute of the game from the boot of Darlington substitute Stephen Bell.

## 2000 UP !

The Wanderers clinical move at Carlisle last week, completed by Nicky Brookman, was enough to register the club's 2000th Football League goal scored on opponents territory.

The first goal was also a milestone for John Thomas whose penalty brought him his 100th Football League goal. 'JT' is adamant that he netted his 100th in the 4-0 win at Peterborough in January and that two of his goals have been 'pinched' by former team mates at Lincoln City.

It was nice to see the Wanderers get back to winning ways quickly after the reverse at Wolves. The last occasion that a 4-0 half time deficit was incurred in the League was back in April 1984 at Oxford United. They were third division leaders at the time and netted one more during the second half.

In cup competitions the 6-0 half time reverse at Notts County in October 1984 will take some beating although Mark Came has reason not to forget it as it was his full debut for the Wanderers.

# OUT & ABOUT

Mr. Norman Boardman, lifelong friend and supporter of the Wanderers, has just returned from a business trip to Portugal.

For many years, Norman has done business with Senor Ruivo, a keen supporter of F.C. Porto and during this time have exchanged various souvenirs of their two clubs.

F.C. Porto had the achievement last year of winning the European Cup, beating Bayern Munich 2-1. They went on to win the World Club Championship, beating the South American Champions.

As a memento, F.C. Porto have commissioned a Commemorative Plaque with the date of their win. Norman has kindly presented this plaque to the Wanderers.
